Hi Boris,
Thank you for your continued interest in Aurora.
In the short to medium term we remain laser focused on executing our business plan.
That being said, there is no reason you and Miguel shouldn't continue to have an open dialogue going forward.
Best regards,
Michael

Hi Michael –

I received your response. However, I am surprised that the board does not see any path forward.

We believe that a combination with Curaleaf has significant value and would be highly attractive to your shareholders.

I would appreciate the opportunity to discuss and understand the basis for your response, as well as the opportunity to explain the rationale behind our proposal and the benefits to Aurora and your shareholders.

Happy to set up a call next week. Let me know if you are available.

Best,

Boris

Dear Boris,

Thank you for your letter addressed to Miguel dated July 7, 2026.

We have carefully reviewed your letter with our advisors and have determined we do not see a path forward at this time.

Sincerely,

Michael
